State Rep. Kenny Yuko Appointed to the Ohio Cystic Fibrosis Legislative Task Force

Legislator will provide input on issues affecting Ohioans with Chronic Disease

COLUMBUS- State Representative Kenny Yuko (D-Richmond Heights) was appointed to the Ohio Cystic Fibrosis Taskforce by Speaker of the House Armond Budish. Cystic Fibrosis is a chronic disease that affects the lungs and digestive system and there are currently 30,000 children and adults living with CF in the United States.

“We have a lot of work ahead of us when it comes to fighting chronic diseases like Cystic Fibrosis,” Rep. Yuko said. “I am excited to be part of a group that is involved in helping people with CF have a better quality of life and I’m hopeful that we will one day find a cure.”

The taskforce will serve to study and make recommendations on issues pertaining to the care and treatment of individuals living with Cystic Fibrosis.
