COLUMBUS- State Representative Kenny Yuko (D-Richmond Heights) was appointed to the Labor Management Government Advisory Council by Speaker of the House Armond Budish. “It is an honor to use my experience with labor to work on these issues” Rep. Yuko said. “I look forward to supporting the rehabilitation program and being able to offer encouragement to employees dealing with work related injuries.”

The council will advise the Bureau of Workers Compensation board of directors on the future planning of rehabilitation services and offer recommendations for changes of laws, rules, policies and procedures as they relate to the rehabilitation program.
